Remarks

This 2,320 sq. ft, 5-bedroom, 2-bath duplex is full of potential and is positioned less than a mile away from the construction of the Detroit Horse Power Urban Equestrian Center, set to be the largest urban equestrian center in the U.S. The 2026 completion target provides a strategic opportunity to invest early and benefit from rising property values as the neighborhood flourishes. The lower unit of this duplex features 3 spacious bedrooms and a full bath. The open kitchen-dining concept features a sliding glass patio door, leading to a partially built two-level deck, a perfect canvas to create a dream outdoor retreat! The upper unit features 2 bedrooms and currently down to the studs, offers a blank canvas with original hardwood floors throughout. Plus, it features a large attic, giving you the chance to add a bedroom or create a stylish loft space. Whether you're looking to maximize rental income or create a unique living concept, the possibilities here are endless. Enjoy peace of mind knowing the hard work is done with a new ductwork, updated plumbing, and up-to-code electrical wiring.
